

BAG OF RIDDIM Bluetooth®

PORTABLE BLUETOOTH® AUDIO SYSTEM

Bag of Riddim Bluetooth® provides all of the portability and amazing sound as the original Bag of Riddim and adds the wireless convenience of Bluetooth® streaming. This amazing audio system also upgrades to a REWIND™ fabric carry bag made of organic cotton, hemp and RPET (recycled plastics). An integrated auxiliary input lets you connect hundreds of other phones and music players and a built-in USB port is included to charge them. Stream your favorite tunes wirelessly and fill your world with great tunes wherever you are.
